Dear Mr. ○○ ○○○,

Thank you for your continuous friendship.

Congratulations on ○ ○ th anniversary of the foundation.

In ○○○○, the popular American writer Washington Irving wrote a series of five essays published in a book called "The Sketchbook of Geoffrey Crayon, Gent.

The essays describe a wealthy British landowner who invites his farm workers into his home to celebrate Christmas.

The landowner recreates a traditional Christmas as it would have been celebrated in the distant past.

Irving praised this looking back to ancient traditions. He liked the idea of different levels of society coming together to enjoy a festive and peaceful holiday.

Washington Irving seemed to express concern about the lack of such unifying Christmas traditions in modern America.

Thank you for your cooperation.

Best Regards,
○○ ○○○
